

**GOVERNMENT OF INDIA.
MINISTRY OF HEALTH & FAMILY WELFARE
DIRECTORATE GENERAL OF HEALTH SERVICES
CENTRAL INTERNATIONAL HEALTH DIVISION
AIRPORT HEALTH ORGANISATION, COCHIN, NEDUMBASSERY – 683111**

SUO MOTU DECLARATION UNDER SECTION 4 OF RTI ACT 2005

1.ORGANIZATION AND FUNCTION

1.1 Particulars of its organisation, functions, and duties [Section 4(1) (b) (i)]

(i) Name and address of the organisation: Airport Health Organization, Cochin
Central International Health Division
Directorate General of Health Services
Ministry Of Health and Family Welfare
Govt. Of India

(ii) Head of the Organisation : Airport Health Officer, Cochin

(iii) Vision Mission and Key Objectives

Airport Health organisation, Cochin is a 'Public Health Authority' established for the detailed execution of the Policies of the Government of India with the status of a 'Subordinate Office' of Central International Health Division, Directorate General of Health Services under Ministry of Health and Family Welfare, Nirman Bhavan, New Delhi. Airport Health Organisation (APHO) ensures implementation of International Health Regulations, International Sanitary regulation, and Indian Aircraft (Public Health) Rules.

Airport Health Organisation Cochin was established on 23 August 2006. Presently Airport Health Organisation, Cochin is a fully functional unit with a Yellow Fever Quarantine facility and a Yellow Fever Vaccination Centre.

Cochin international Airport is the busiest and the largest airport in the state of Kerala and is the Third busiest airport in India in terms of international traffic.

(iv) Functions and Duties of APHO, Cochin:

1. Surveillance of diseases of International Significance notified by Govt. of India/WHO
Disease surveillance at Airport Health Organisation basically includes 2 categories.
 - A. Disease surveillance on regular basis like surveillance of Yellow Fever disease. As per the standard protocol all international passengers are screened by Immigration Officers. Passengers coming from Yellow fever endemic countries without valid Yellow fever vaccination card are identified.
If such passengers are identified by immigration officers, they are referred to APHO Pre – immigration office for further verification.
 - B. Disease surveillance when a PHEIC is declared by World Health Organization and Govt. of India, Ministry of Health, and Family Welfare.
2. Passenger quarantine:
All the passengers who have transited through the Yellow fever endemic country during the last 6 days prior to arriving India and if they don't have a valid vaccination certificate, they will have to be quarantine for 6 days. The quarantine starts from the date and the time of start of travel from affected/endemic country. During this period, they will be monitored for any signs and symptoms for yellow fever disease. If they develop any symptoms, sample will be collected and send for testing.
3. Yellow Fever Vaccination:
APHO, Cochin is a designated yellow fever vaccination centre by Govt. of India. Vaccination is given for passengers who desire to go to the yellow fever endemic countries. They have to take vaccination minimum 10 days prior to travel to these countries for the Yellow Fever card to be valid.
4. Polio Vaccination:
Since in India has been declared polio free, Govt. of India has decided to vaccinate passengers going to polio affected countries. This is to avoid further introduction of the wild strain of polio again into India. Passengers who desire to take vaccination can take it preferably six weeks prior to their travel to the any polio affected countries. This is not a mandatory requirement. After vaccination a vaccination certificate will be issued which is valid for one year.
5. Surveillance of International Aircraft disinsection:
As per the Indian Aircraft and Public Health rule all the international flights coming to India should be disinsected. These aircraft will be carrying a Disinsection/Disinfection certificate/ Disinfectant canisters will be recorded in the register in Pre-Immigration Office

6. Human Remains Clearance:

As per the Indian Aircraft and public health rule Para (4) 1954, aircraft operators/consignee should intimate APHO at least 48hrs prior to the boarding of HUM from the origin country. Following documents are required to be produced at (Copies) Pre - Immigration office of APHO.

- a. Indian Embassy Non-Objection Certificate.
- b. Copy of the cancelled passport.
- c. Death certificate clearly showing the cause of death.
- d. Embalm certificate.
- e. Noncontagious certificate.

The prior intimation and request for Clearance should be send to APHO Cochin via email ([aphocochinhum\[at\]gmail\[dot\]com](mailto:aphocochinhum[at]gmail[dot]com)) 48hrs prior. The office shall then examine and verify the documents. Once the documents are found to be in order, an OK TO FORWARD mail is given by this office to the Airline operator, after which they can board the HUM to Cochin International Airport. Upon arrival of the HUM, the Airline operator must produce all the documents in original for the Clearance Certificate to be issued from APHO Cochin.

Similarly, clearance certificate is issued for the on-board death cases after examination of the body.

7. VVIP food surveillance

8. Implementation of FSSAI Act

Airport Health Officer is the Designated Officer under FSSAI for the FBOs inside Airport Terminal. Two Medical Officers have been delegated the additional charge of Food Safety Officers. FSSAI Licensing of the FBOs inside the Terminal will be under the purview of APHO Cochin. These food outlets will be checked frequently, and their food hygiene practises will be thoroughly scrutinised.

9. Vector Surveillance:

APHO staff carry out regular Surveillance activities inside the airport and 400m perimeter around the Airport. In coordination with the Kerala State Health Team and District Surveillance Units periodic monitoring of the vector control activities as well as and supervision of the control measures undertaken by the Local Health Units are also done by APHO Cochin. The report is forwarded to Ministry every Fortnightly.

10. Sanitary Inspection:

Health Inspector and Field workers carry out the regular sanitary inspection of the food outlets, restrooms, Drinking water surveillance, inside the airport. Samples of the drinking water are to be taken by the airport operator under the supervision of the APHO from the water sources for testing and the results will be monitored by this office.

11. Training:

The Bureau of Immigration officers are being by trained periodically regarding Yellow Fever and PHEICs as and when declared by WHO/Govt. Of India

12. Flight Emergency:

APHO staff will be assisting if any flight emergency occurs within the airport.

13. Duties related to public Health Emergencies of International Concern (PHEIC):

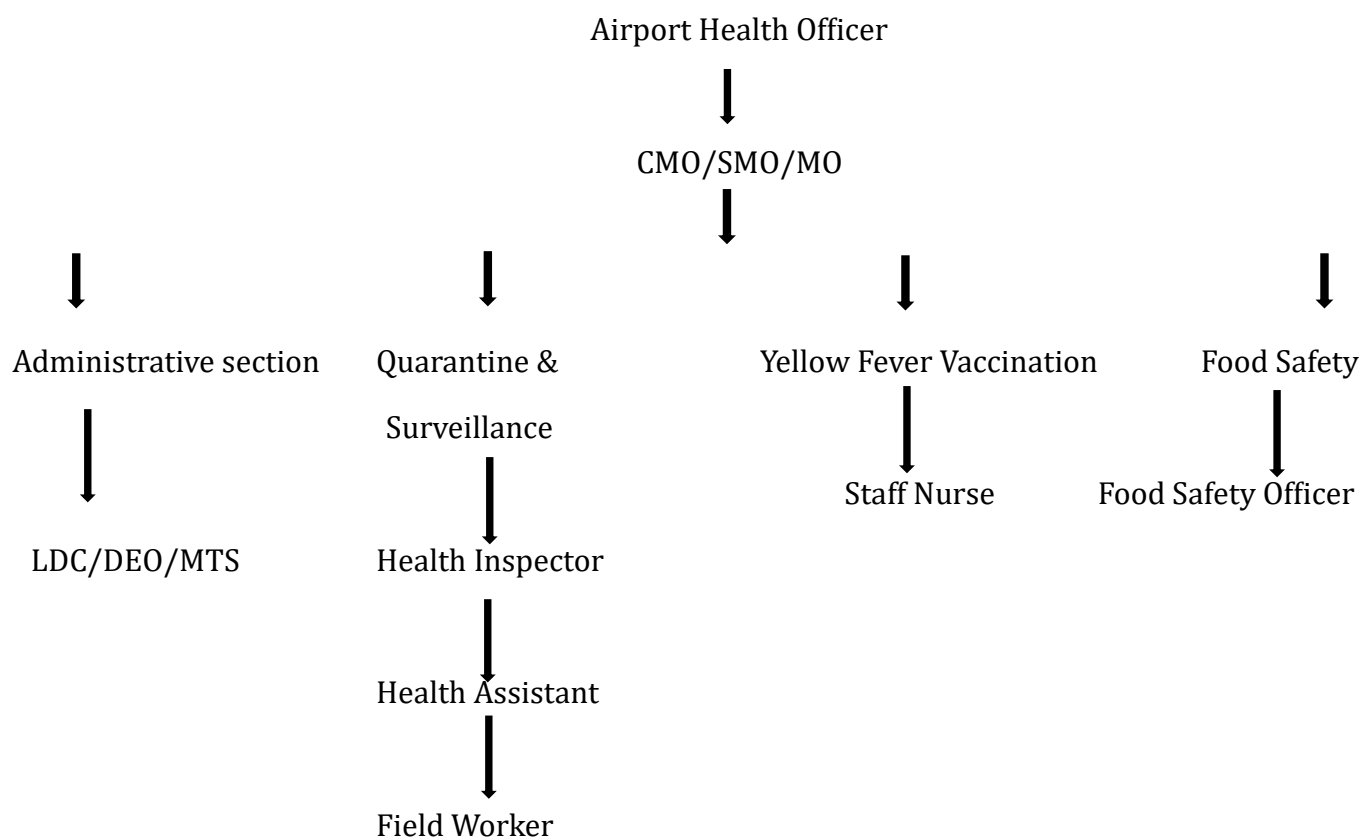

As per the International Health regulations, point of entries should be prepared for Chemical, Biological, Radiological and Nuclear emergencies CBRN approach. CIAL is fully prepared, and a public health emergency contingency plan has been prepared by Airport Health organisation. This PHECP had been approved by ministry and stake holders at CIAL. This plan was initiated previously during H1N1, MERS-CoV, Zika and COVID 19 outbreak.

14. Any other task assigned by the Ministry.

1. APHO Cochin has been delegated as the Nodal Head Office for APHO Kannur, for all the administrative and establishment functions.
